## WE OFFER:

- An annual international conference that celebrates recovery
- An annual LGBTQ contingent in the NYC Pride Parade and an alcohol free dance party
- We offer a scholarship program for alcohol & drug abuse treatment
- A curated list of LGBTQ 12 step meetings around the world
- Ongoing and engaging health and wellness programming and messaging

**MISSION:** Gay & Sober's mission is simple – to provide a safe, fun, and enriching experience to the sober community. Our primary purpose is to encourage unity and enhance one's sobriety.

**VISION:** In the spirit of unity we come together to support and love one another and to show others – especially beginners – that it is indeed possible to be happy, joyous, & free in sobriety. Once a year, we hold a special men's event in New York City devoted to celebrating recovery from alcoholism & drug addiction. For three special days, hundreds of fellows are brought together for a weekend of innovative health & wellness workshops, big speaker meetings, spiritual growth, and top entertainment. We also sponsor a Pride Day celebration for all LGBTQ people that features a place to march in the parade and an evening dance on the Hudson River - complete with fireworks!

**SPIRIT:** We are doing this in the spirit of brotherhood, friendliness, fellowship, and adventure.

**ORIGINS:** What started as a private group on Facebook called Gay & Sober Men in the summer of 2009, Gay and Sober has mushroomed into what is now the largest recovery group of its kind on social media. Gay & Sober has expanded to offer monthly free LGBTQ community workshops, a conference, and an official component in the pride festivities.

What makes G&S unique is that we welcome those that simply practice a sober lifestyle *as well as* those that are part of a 12 step program.

**“Gay & Sober has helped me connect with others just like me. I finally feel a part of.”**

– CATHY, LOS ANGELES

**SUPPORT:** As a grass roots, non-profit, all-volunteer organization we make a difference in the lives of thousands of individuals within the LGBTQ recovery community. We accomplish this through the generous support of organizations, corporate sponsorships, foundation grants and individuals. Without this support we could not save or change the lives of those in our community. Your generosity allows us to continue our successful programs and the future delivery of exciting new outreach programs currently being introduced and further developed. We ask you to please help us change lives and deliver programs of recovery with your sponsorship or tax-deductible donation today. We thank you, our recovery community thanks you, and those still suffering, looking for a way out, thank you. With gratitude, from all of us at Gay & Sober.

**Year Round Health & Wellness Programming:**

TALKS is a new program serving the LGBTQ+ community in recovery. The program aims to fill the void after treatment services, mutual aid support groups, and other common routes to recovery. TALKS familiarizes participants with the various methods of recovery and engages them with discussions that impact their overall experience. Topics such as Body Image, Homelessness, HIV, Homophobia, Harm Reduction, and even Redefining Fun are some of the topics covered in the workshops. TALKS addresses the issues that impact an LGBTQ+ person's quality of life. There are workshops focused on Transgender experiences and women's experiences, giving special attention to the most vulnerable among us. In summary, we are talking about the things less talked about in the general recovery community.

**This program is offered as a FREE service to the LGBTQ+ community.**

## CORPORATE SPONSORSHIP

What is 'Corporate Sponsorship'?

A corporate sponsorship is a form of marketing in which a company or corporation pays for all or some of the costs associated with an event, project or program in exchange for recognition. Companies may have their logos and brand names displayed alongside of the organization undertaking the project, program or event, with specific mention that the company has provided funding. Corporate sponsorships are commonly associated with nonprofit groups, who generally would not be able to fund operations and activities without outside financial assistance.

We welcome sponsorships from corporations, foundations, organizations and individuals that are affirming to the LGBTQ community. If you value all individuals and are committed to save and change the lives of those community members' who are looking for a safe and supportive place to begin, or continue their recovery journey, then we are in need of and welcome your interest. For sponsorship information a member of our fundraising team will be happy to discuss the different giving levels and their benefits.
